## A Guideline for Notification of Thesis Proposal Examination Result

1. A Graduate Studies Program Office prints out the Notification Form at <https://grad.wu.ac.th> and submits to Chairman of Thesis Proposal Defense Examination for further action.
2. Chairman of Thesis Proposal Defense Examination fills out the form, writes down the examination result and get the form signed by all committee members to verify the result, and submits it to Graduate Studies Program Committee for their approval to pursue the thesis.
3. The Graduate Program Officer submits the approved form to the CGS.
4. A CGS officer rechecks the form before recording the data into CES system.
