A Guideline for Notification of Thesis Examination Result

1. A Graduate Program Office prints out the Notification Form at <https://grad.wu.ac.th> and submits to Chairman of Thesis Defense Examination for further action.
2. Chairman of Thesis Defense Examination fills out the form, writes down the examination result and get the form signed by all committee members to verify the result, and submits it to Graduate Program Committee for their acknowledgment (within 2 weeks after examination date).
3. The Graduate Program Officer submits the approved form to the CGS.
4. A CGS officer rechecks the form before recording the data into CES system.
