บทความที่ได้รับการตีพิมพ์ในฐานข้อมูลระดับโลก ISI/SCOPUS

01

Admission

- Accept the application/Check the property of applicant
- Orientation

02

Thesis

- Observe thesis progress - **GRADMS**
- **Check the thesis format / Submit complete thesis**

03

Scholarships / Research Funds

04

Educational Services

Provide the academic information for graduate students and advisors

05

Seminar & Training

Hold the training courses/seminar with the special topic for graduate students or advisors

01

Registration

- Registration / Enroll / Withdraw / Study leave, etc.
- Student card
- Certificates

02

Teaching & Learning Services

- Courses
- Time table for study and examination
- Lecture room

03

Educational Processing

- Record and process the study results
- Identify student status
- Report the educational reports

EUROPEAN MODEL

Model study plan to ensure students' successful completion of thesis

Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

Discuss

Make a discussion with your advisor to find the research topic

Study Plan

Activity	Time (month)
Task 1	
Task 2	
Task 3	
Task 4	
Task 5	

Tracking your study work

Report the consultation to CGS.
The research work/progress should be with your European model.

Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

Example: Ph.D. Programs in Health Sciences and Technological Sciences, 36 Month European Model (6 Month Extension) for Research Program 1.1

Activity	Month																																					
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36		
1.Students submit Concept Proposal upon admission to the program.																																						
2.the student carries out Preliminary Study and submit Full Proposal to Thesis Proposal Committee.	←					→																																
3.The student sits for Qualifying Examination	←																																					
4.The students sit for the Qualifying Examination	←																																					
5.The student carries out Preliminary Study and submit Full Proposal to Thesis Proposal Committee.																																						
6.The student writes a research article for publication																																						
7.The student writes up a thesis.																																						
8.The student submits the thesis to the advisor for suggestion.																																						
9.Submission of the thesis checked and approved of by the advisor to Thesis Committee.																																						

Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

Example: Ph.D. Programs in Health Sciences and Technological Sciences, 36 Month European Model (6 Month Extension) for Research Program 1.1

Activity	Month																																						
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36			
10.The student sits for thesis defense. (with achievement of "S")																																							
11.Thesis revision																																							
12.Thesis submission to the Center for Educational Services and the Center for Library Resources and Educational Media (Format check)																																							
13.Submission of the complete thesis to the school.																																							
14.In case the student cannot graduate, a request for 3 month extension can be submitted for a maximum of two times.																																							

Note :

Students will graduate only when their work or part of their work is published in or accepted for publication by an accredited journal approved of by the Higher Education Commission.

Graduation ceremony dates are determined by the university's regulation.

(Publication time is beyond the student's control. Students will graduate only when their work or parts of their work are published in or accepted for publication by an accredited journal.)

The screenshot shows the GRADMS website interface. At the top, there is a navigation bar with the RPMS logo and the text "ระบบติดตามความก้าวหน้าบัณฑิตศึกษา" and "Research Progress Monitoring System". A "เข้าสู่ระบบ" (Login) button is located in the top right corner. The main content area features the "GRADMS" logo in blue and red, followed by the text "Graduate Student Progress Monitoring System". To the right of this text is a large graphic of a computer monitor displaying a red eye icon. Below the main content, there is a section titled "ประกาศข่าว" (News) with four tabs: "General News", "Academic Calendar", "Scholarships/Funds", and "Thesis". The "General News" tab is active, showing a list of news items, with the first item being "Start with GRADMS, 2020-11-10 16:52:30".
