01

### Admission

- Accept the application/Check the property of applicant
- Orientation

02

### Thesis

- Observe thesis progress - **GRADMS**
- **Check the thesis format / Submit complete thesis**

03

### Scholarships / Research Funds

04

### Educational Services

Provide the academic information for graduate students and advisors

05

### Seminar & Training

Hold the training courses/seminar with the special topic for graduate students or advisors

01

### Registration

- Registration / Enroll / Withdraw / Study leave, etc.
- Student card
- Certificates

02

### Teaching & Learning Services

- Courses
- Time table for study and examination
- Lecture room

03

### Educational Processing

- Record and process the study results
- Identify student status
- Report the educational reports

# Thesis & Monitoring

## Progress Monitoring

Students report thesis/research progress via

**GRADMS**

## Format checking

Draft thesis should be submitted for format checking within 2 weeks before thesis defense.

**according to the University's format**

## Complete thesis

submit at

- (1) Student's program
- (2) CGS
- (3) CLM

# Research Fund

Proposal Defense

**PASSED**

Master  
Degree

$\leq$  50,000 Baht

Doctoral  
Degree

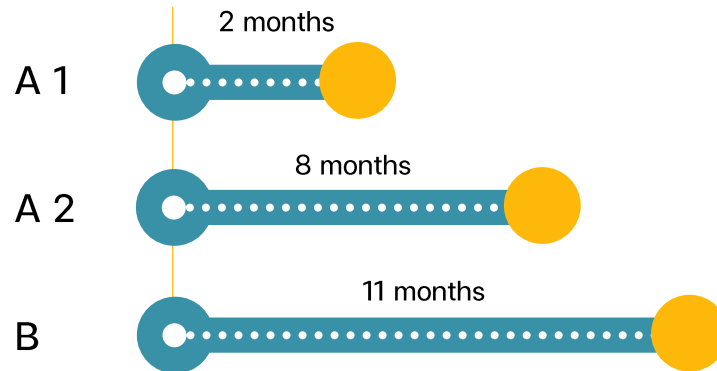

$\leq$  100,000 Baht

# Research Fund

## Expected timeline of proposal defense

# EUROPEAN MODEL

Model study plan to ensure students' successful completion of thesis

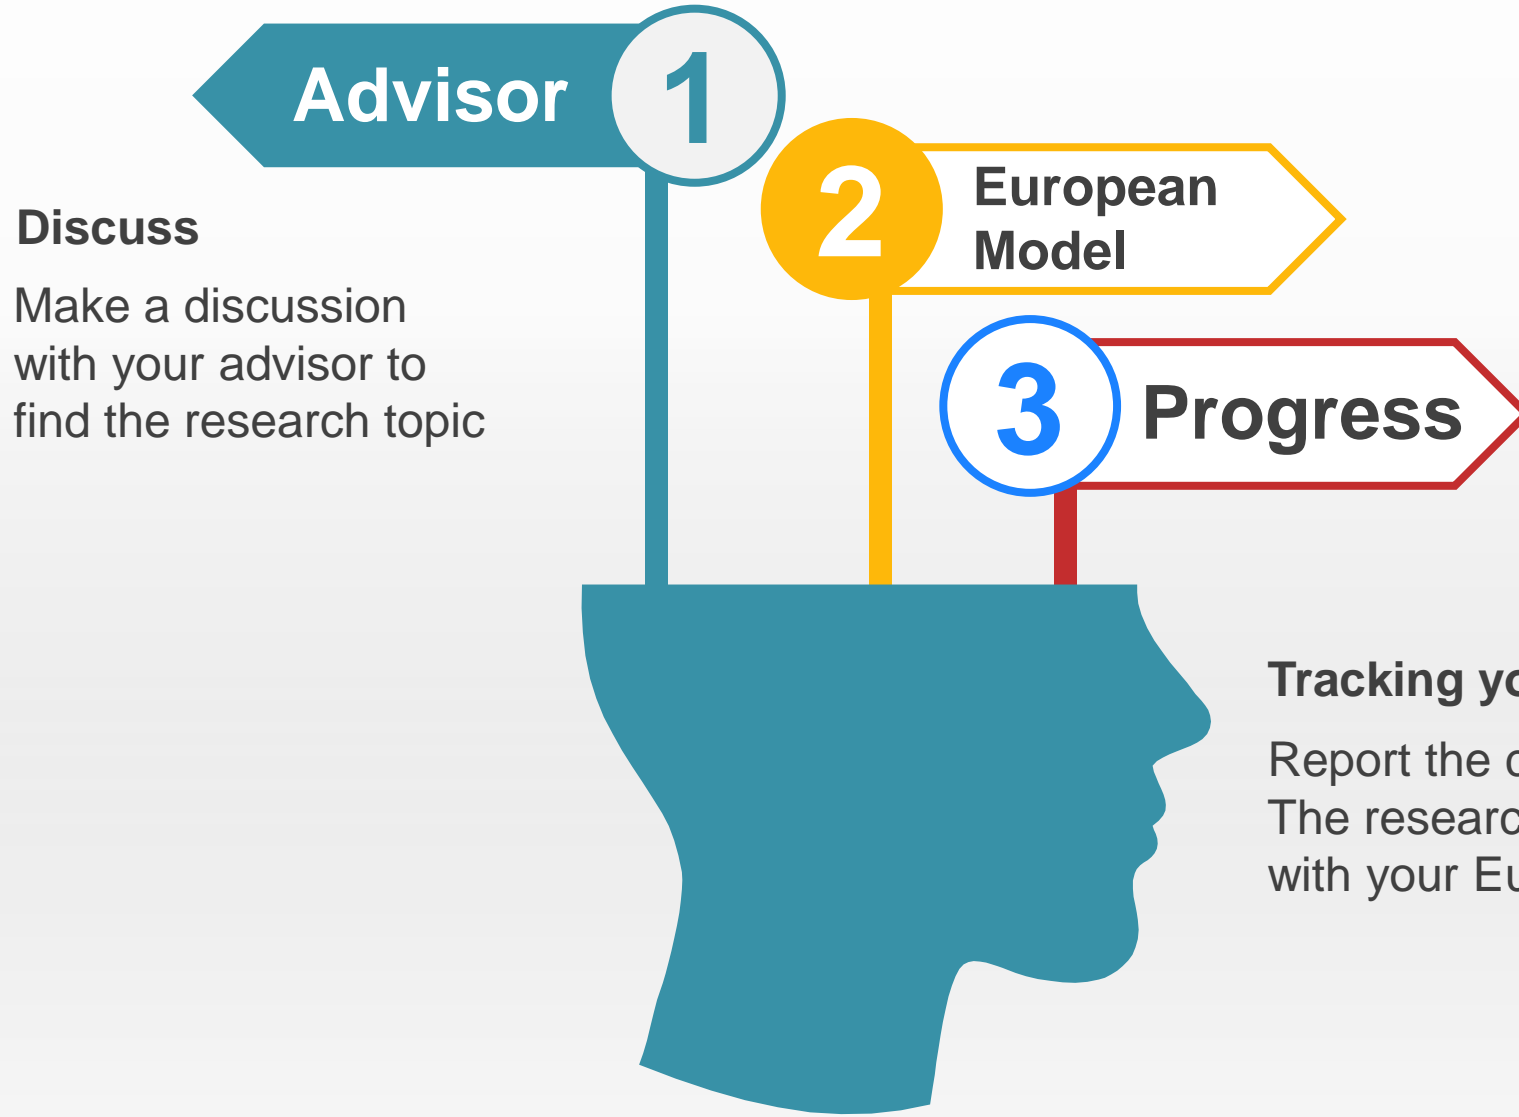

# Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

# Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

## Discuss

Make a discussion with your advisor to find the research topic

## Study Plan

Activity	Time (month)
Task 1	1
Task 2	2
Task 3	3
Task 4	4
Task 5	5

## Tracking your study work

Report the consultation to CGS.  
The research work/progress should be with your European model.

# Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

**Example:** Ph.D. Programs in Health Sciences and Technological Sciences, 36 Month European Model (6 Month Extension) for Research Program 1.1

Activity	Month																																					
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36		
1.Students submit Concept Proposal upon admission to the program.																																						
2.the student carries out Preliminary Study and submit Full Proposal to Thesis Proposal Committee.	←					→																																
3.The student sits for Qualifying Examination	←																																					
4.The students sit for the Qualifying Examination	←																																					
5.The student carries out Preliminary Study and submit Full Proposal to Thesis Proposal Committee.																																						
6.The student writes a research article for publication																																						
7.The student writes up a thesis.																																						
8.The student submits the thesis to the advisor for suggestion.																																						
9.Submission of the thesis checked and approved of by the advisor to Thesis Committee.																																						

# Guidelines for Post-Graduate Freshmen

for students in thesis, project and independent study program European Model, 2018

**Example:** Ph.D. Programs in Health Sciences and Technological Sciences, 36 Month European Model (6 Month Extension) for Research Program 1.1

Activity	Month																																					
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36		
10.The student sits for thesis defense. (with achievement of "S")																																						
11.Thesis revision																																						
12.Thesis submission to the Center for Educational Services and the Center for Library Resources and Educational Media (Format check)																																						
13.Submission of the complete thesis to the school.																																						
14.In case the student cannot graduate, a request for 3 month extension can be submitted for a maximum of two times.																																						

**Note :**

Students will graduate only when their work or part of their work is published in or accepted for publication by an accredited Journal approved of by the Higher Education Commission.

Graduation ceremony dates are determined by the university's regulation.

(Publication time is beyond the student's control. Students will graduate only when their work or parts of their work are published in or accepted for publication by an accredited journal.)

The screenshot shows a web browser window with the URL [gradms.wu.ac.th](https://gradms.wu.ac.th) in the address bar. The page header includes the **RPMS** logo and the text "ระบบติดตามความก้าวหน้าบัณฑิตศึกษา" (Research Progress Monitoring System) in Thai, with the English translation "Research Progress Monitoring System" below it. A "เข้าสู่ระบบ" (Login) link is visible in the top right. The main content area features the **GRADMS** logo, where "GRAD" is blue and "MS" is red, followed by the text "Graduate Student Progress Monitoring System". To the right is a large graphic of a computer monitor with a red eye icon on the screen. Below this is a "ประกาศข่าว" (News) section with four tabs: "General News", "Academic Calendar", "Scholarships/Funds", and "Thesis". The "General News" tab is active, showing a list of news items, with the first item being "Start with GRADMS, 2020-11-10 16:52:30".
