01

Admission

- Accept the application/Check the property of applicant
- Orientation

02

Thesis

- Observe thesis progress - **GRADMS**
- **Check the thesis format / Submit complete thesis**

03

Scholarships / Research Funds

04

Educational Services

Provide the academic information for graduate students and advisors

05

Seminar & Training

Hold the training courses/seminar with the special topic for graduate students or advisors

01

Registration

- Registration / Enroll / Withdraw / Study leave, etc.
- Student card
- Certificates

02

Teaching & Learning Services

- Courses
- Time table for study and examination
- Lecture room

03

Educational Processing

- Record and process the study results
- Identify student status
- Report the educational reports

Admission

Accept the application/Check the property of applicant

HP Scholarship

Announcement for HP Scholarship

Progress Monitoring

Students report thesis/research progress

Scholarships

Contract / Monthly Allowances

Thesis

Forms / Educational Services

Format checking

Draft thesis should be submitted for format checking within 2 weeks before thesis defense.
according to the University's format

Complete thesis

Thesis

Forms / Educational Services

The screenshot shows the GRADMS website interface. At the top, there is a navigation bar with the logo "RPMS" and the text "ระบบติดตามความก้าวหน้าบัณฑิตศึกษา" and "Research Progress Monitoring System". To the right of the logo, there is a link "เข้าสู่ระบบ". Below the navigation bar, the main content area features the "GRADMS" logo in large blue and red letters, followed by the text "Graduate Student Progress Monitoring System". To the right of the text is a large graphic of a computer monitor with a red eye icon on the screen. Below the main content area, there is a section titled "ประกาศข่าว" (News) with four tabs: "General News", "Academic Calendar", "Scholarships/Funds", and "Thesis". The "General News" tab is selected, showing a list of news items, including "Start with GRADMS, 2020-11-10 16:52:30".
