

Walailak University Graduate Scholarships

1. Principles

With Walailak University's policy to attract academically capable individuals to pursue graduate studies, drive the enhancement of teaching and learning at the graduate level to be recognized internationally, and support graduate education and research, the Graduate of Graduate Studies (CGS) has initiated a project to support graduate studies as Walailak University provides scholarships exempting tuition fees and other expenses according to the conditions and duration specified in this project.

2. Objectives

- 1) Promote and support graduate education and research at the university
- 2) Increase the quantity and quality of research publications by the university in international journals indexed in the Scopus database
- 3) Encourage academically capable students to enroll in graduate programs at the university
- 4) Support scholarship recipients to have opportunities to learn and gain experience in knowledge transfer by serving as teaching or research assistants (TA or RA)

3. Type of Scholarships
