

# STUDY PLAN 1.1

— (THREE-YEAR PROGRAM) —

Required Performance Milestones to Receive Additional Compensation for Doctoral Students (Per Semester)

SEMESTER

1

Pass the Qualifying Examination

SEMESTER

2

Pass the Proposal Defense

SEMESTER

3

Submit the first research manuscript

SEMESTER

4

Receive acceptance for publication of the first research manuscript

SEMESTER

5

Submit the second research manuscript

SEMESTER

6

Pass the Final Thesis Defense

Students must achieve the required milestone in the corresponding semester to be eligible for the additional compensation for that semester.

# STUDY PLAN 1.2

## — (FOUR-YEAR PROGRAM) —

Required Performance Milestones to Receive Additional Compensation  
for Doctoral Students (Per Semester)

SEMESTER

1

Submit a satisfactory progress report and successfully complete more than half of the registered thesis credits

SEMESTER

2

Pass the Qualifying Examination

SEMESTER

3

Pass the Proposal Defense

SEMESTER

4

Submit the first research manuscript

SEMESTER

5

Receive acceptance for publication of the first research manuscript

SEMESTER

6

Submit the second research manuscript

SEMESTER

7

Receive acceptance for publication of the second research manuscript

SEMESTER

8

Pass the Final Thesis Defense

### IMPORTANT

Students must achieve the required milestone in the corresponding semester to be eligible for the additional compensation for that semester.

# STUDY PLAN 2.1

## (THREE-YEAR PROGRAM)

Required Performance Milestones to Receive Additional Compensation for Doctoral Students (Per Semester)

Students must achieve the required milestone in the corresponding semester to be eligible for the additional compensation for that semester.

# STUDY PLAN 2.2

## (FOUR-YEAR PROGRAM)

Required Performance Milestones to Receive Additional Compensation for Doctoral Students (Per Semester)
